

PRODUCT INFORMATION BULLETIN

DPF 313 Banner

Digital Print Scrim PVC Banner

PRODUCT DESCRIPTION

DPF 313 is an economical, frontlit 13-oz. white, scrim PVC banner. Available in matte and high gloss, both finishes are smooth and yield high print resolution and image quality. It is a multipurpose banner – suitable for digital printing, screen printing, and adhesive-backed vinyl application. DPF 313 is designed to be both tear and curl resistant. Furthermore, the banner features a fire resistant coating that passes the NFPA 701 fire resistant certification test. Use DPF 313 for a wide range of indoor and outdoor banner applications. DPF 313 is rated for outdoor durability up to 1 year (unprinted). Printed durability is dependent on the ink system used.

AREAS OF USE

- Digital printing and/or screen printing with a wide variety of direct print systems
- Indoor and outdoor merchandising and display graphics
- Billboard applications
- Shorter-term banner applications
