

LiqueColor

We Bring Ink to Life

Partners in Conservation

How LiqueColor Reduces the Risk of Third Party Inks

Product Features

- Offer the OEM Quality Inks
- We Use the OEM Cartridge
- We Insert Our Own Programmed Chipset
- LiqueColor's No-risk Warranty

Benefits to User

- Like the OEM
- Like the OEM
- Better than the OEM
- Better than the OEM

We Use OEM Cartridges

- How do we get them?
 - You send them to us
- Why do you send them?
 - **We give you money**
- How do you send us the cartridges?
 - Pack it in our ink box and put on the postage paid label
- How do you get your money?
 - Put your distributor account number on the box and we credit your account or send you a check

Why we use OEM Quality Inks

Hp 5000/5500 & 1000/1050's

- We Can Work with the Top Ink Suppliers
- No Ink Switch Issues
- No Re-profiling
- Both Dye and UV Inks
- Because They Like Our Chipset Technology
- Compatible with OEM inks. Just Plug and Play
- No Line Flushing
- Or Try Our Mercury and Solaris Inks to go better than OEM at Even Greater Savings

It's Our Technology that Sets us Apart

- **We Install a New Chipset and Software**
- **Printer Sees the LiqueColor Part as an OEM Part**
- **Our Failure Rate is Lower than the OEM**
 - **HP Cartridge Failure Rate > 4%**
 - **LiqueColor at <.2% is Lowest in the Industry**
- **But if Our Cartridge Fails We'll Replace it at No Charge – No More Partially Full Empties!!**

We Stand Behind it – See Our Warranty

Don't Believe Us – Try us At No Cost to You!

- Your Dealer Orders A Trial Set from Us
- You have 30 Days to Trial the Ink Set
 - Either Return the Cartridges, or Order 6 more Sets, and We fully Credit the Trial Set
- That's It – You Tried the LiqueColor Inks at No-charge

We Believe You Will Become a Customer

LiqueColor Certificate of Warranty

Solaris and Mercury Inksets for the HP 5000/1050 Design Jet Printer

Ink Quality Promise

LiqueColor Inkjet Group herein referred to as "LC" warrants for as long as the owner of the printer is using the Solaris or Mercury refill inksets exclusively in the printer, LC will:

- Pay for any related failures caused by the Solaris or Mercury refill ink.
- Provide HP print head warranty to 1360ML, even if purchased from another vendor.
- Perform any ink warranty repairs on the printer not covered by HP, if required by the customer.

In the event the Solaris or Mercury refill inksets are found to be defective or an ink related failure occurs under this warranty, LC will:

- Replace the Solaris or Mercury refill ink proved to be defective.
- Make printer repairs to restore the printer to working condition.
- Provide repair parts and labor free of charge.

Solaris and Mercury inks are sold with a full 60 day money back guarantee.

To obtain warranty service for either defective ink or an ink related failure, contact LiqueColor Inkjet Group at: 888-256-7446, Ext 101.

This warranty is void if the product or the printer has been subject to abuse or improper care. This warranty covers the U. S. and Canadian installations only.

LiqueColor Certificate of Warranty

Inksets for Roland EcoSol InkJet Printers

Warranties Definition:

This form and its information shall become effective upon its execution by duly-authorized representatives of both Customer / Dealer and Company, and after an original signed copy is delivered to the Company.

Warranty:

LiqueColor will provide warranty repair or replacement (at its sole discretion and approval) of any print head(s) / parts that fail as a direct result of the Company's ink provided for the period covering OEM manufacturer's warranty coverage (1 year from date of purchase) excluding consumable parts (Ex. Wipers / S-dampeners/ filters).

Machines out of OEM warranty will also qualify for replacement of any print head(s)/ parts that fail as a direct result of LiqueColor's Inks products and or systems provided, excluding consumable parts (Ex. Wipers/ S-dampers filters). Labor cost are not included in the warranty for machines out of OEM warranty.

Warranty period will be in effect as long as customer is using LiqueColor Solaris Inks on an exclusive basis and adheres to normal maintenance requirements stated in the Roland OEM Printers Users Manual. LiqueColor Inks run in conjunction with any other inks other than Roland Eco-Sol Max inks will not be subject to this warranty statement.

To obtain warranty service for either defective ink or an ink related failure, contact LiqueColor Inkjet Group at: 888-256-7446, Ext 101.

This warranty is void if the product or the printer has been subject to abuse or improper care. This warranty covers the U. S. and Canadian installations only.
